Presents:

Sport First Responder

**in
Winnipeg**

April 16-18, 2010

Authorized Provider

COURSE INFORMATION:

This is a 3-day **lecture and practical** course (2 days for those requiring recertification only) that meets the requirements of the Canadian Red Cross Society and Sport Physiotherapy Canada for First Responder Certification.

The examples/scenarios used will be sport-specific to enhance the learning of all participants with regard to event coverage situations (whether planning to challenge the SPC Certificate/Diploma exams or not).

At the end of the course, the participant will:

- Complete a standardized written exam to meet national Canadian Red Cross standards
- Have an enhanced ability to respond to emergency situations on-site (ie: head injuries, bleeds, fractures)
- Be trained to use oxygen and an Automated External Defibrillator
- Be able to transfer players onto spinal boards effectively (including rolls)

**Please note that First Responder Certification must be renewed every 3 years*
